

# Chaplains of The Claremont Colleges

## Overview

At The Claremont Colleges, Chaplains serve as confidential spiritual counselors, emotional leaders, and provide ethical leadership to the campus community at large. There are four Chaplains onsite, a Rabbi, Imam, Catholic Priest, and Protestant Minister\*. Though each Chaplain holds a specific faith, they encourage and support all religious and spiritual student groups and communities on campus. It is the goal of the Chaplains to strengthen individual faith and promote interfaith relations. The Chaplains offer religious support, engagement opportunities, and create a faith community for students as they pursue their education.

## Chaplaincy Services

The Chaplains offer pastoral counseling, mental health and wellness support, and weekly worship events. In addition, the office hosts a variety of interfaith events that include guest speakers, community service opportunities, and holiday observances. Through these events and services, the Chaplain's goal is to support students, educate, and connect students with a supportive community.
